

Regina

Santa Maria Senior Citizens Home

meals, laundry, housekeeping

The Food Services department prepares daily nutritious meals and snacks for residents taking into account special consideration for therapeutic diet requirements.

All clothing and other washable items are laundered at Santa Maria then returned to resident rooms. Arrangements can be made to have specific items sent to a professional dry cleaner.

The Housekeeping Department maintains the cleanliness of the rooms daily including draperies, floors, furnishings, bathrooms, garbage etc.

recreational programming

The Recreation Therapy Department is committed to providing organized therapeutic recreation and leisure time activities for the residents of Santa Maria.

pastoral care

Pastoral Care coordinates a program designed to meet the spiritual needs of the residents, their families, and staff members, taking into consideration the diversity of religious preferences within the facility.

The program includes Mass three times weekly, ecumenical services and visitations to each resident.

hostel unit

A Hostel Unit on the main floor is available to out-of-town guests for short term visits. This unit consists of a bedroom with two single beds, a full bath with tub and shower and a living room/kitchenette with a small fridge and microwave.
