Extendicare Sunset

We understand that each resident's quality of life depends on an approach to care that combines input from residents and family members with individual assessments from a team of trained caregivers.

Our home is located in a quiet residential neighbourhood, and is cozy, traditional, warm and friendly. Our population includes both elderly and young adults requiring specialized long-term care.

OUR FACILITY HAS TEN PRIVATE ROOMS, SIXTY SEMI-PRIVATE ROOMS, AND SIX STANDARD ACCOMMODATION ROOMS.

dining areas

Sunset has three dining areas. The central main dining room is spacious and comfortable and additional dining areas are located one on each wing. There is a relaxed breakfast program so residents may enjoy their first meal of the day on their schedule.

outdoor patios

Sunset has numerous outdoor patio areas for residents and visitors to enjoy. Some are covered for protection from the sun; all are surrounded by grassed areas and foliage. There is also an outside barbeque spot and patio set for residents and families to use. For the residents who enjoy gardening there is a raised garden and flower bed and other gardening areas.

lounge areas

Sunset's lounge areas are bright, sunny and have large flat screen TV's for residents to enjoy. There is a large private room which families can book to use for parties, special occasions and family gatherings.
