

Name: Dr. Sheila Martinson
Department: Medicine
Division: Critical Care Associates

The Saskatchewan Health Authority is excited to welcome Dr. Sheila Martinson to the Department of Medicine, Division of Critical Care Associates in the Regina Area. Dr. Martinson completed her Family Medicine residency from the University of Saskatchewan – Regina site in 2016. Prior to joining us she had been working as a Family Medicine physician in the former Sunrise Health Region. We ask that you please join us in welcoming Dr. Martinson to the Regina Area of the Saskatchewan Health Authority.
