Thank you for your service

Those who choose a career in health care don’t choose an easy path, but they choose a rewarding career dedicated to improving the health and lives of others.

The Regina Qu’Appelle Health Region’s (RQHR’s) Board and Senior Leadership Team value the contributions of those who have provided long service to the people of Southern Saskatchewan.

This special issue of e-link is devoted to those who have celebrated five, 10, 15, 20, 25, 30, 35, 40 and 45 years of service with the RQHR as of December 31, 2013 and to those who retired between September 1, 2013 and August 31, 2014.

This year, we are honouring 215 employees who have retired and recognizing 1,466 employees who have served five to 45 years of service with the RQHR and its predecessors.

Every job is important: whether it be a clinical, support or an administrative position. All positions in the RQHR are essential to providing quality service to Southern Saskatchewan residents. Compassion, respect and stewardship are brought to life and become part of the health care experience for patients and clients through our employees. Our employees’ commitment and desire to make a difference demonstrate that people are our passion every day.

Thank you to all employees and retirees for this dedication. Please know that as this milestone is celebrated, the dedication demonstrated by our long service employees and retirees has been truly appreciated.

Congratulations to our long service employees and retirees, and thank you for a job well done. Please enjoy this special issue of e-link in the honour of our long service employees and retirees.
